## Overview

As much as we would love to be visiting Hong Kong and meeting you in person, unfortunately UK Universities are unable to travel at the moment. However, we're still keen to connect with you and provide as much guidance and support as possible around clearing and confirmation.

The UniFest Hong Kong Clearing and Confirmation Hub will work slightly different to our other UniFest events. This time we will be hosting 3 main sessions, one week prior to each results day of the IB, HKDSE and A-levels. On and around these results days you will be able to book a 1-2-1 sessions with the universities taking part, many of whom may be able to make on-the-spot offers to Clearing applicants, whilst also providing advice to existing offer holders. The hub will also provide links to bespoke Pre-Departure Briefings for each university and key pages for Clearing enquiries.

## Session overviews

The sessions will all cover the same thing, with some slight amendments to each results day session. For example, if you are studying the HKDSE, then please attend the HKDSE session as this will be more tailored to students studying the HKDSE.

Within each session, we are going to cover the below topics;

- Firm and Insurance
- Confirmation/Confirming your place
- Adjustment/Changing your program
- What is clearing?
- How to search for clearing courses and apply?
- How to contact Universities?
- How to submit your documents
- Paying a deposit (if required)
- Obtaining your CAS
- Preparing for your Student Visa
- Pre-departures

## Event link

In order to attend these events, please make sure you have registered for the event using the link below. The webpage will also have contact details and other useful information on as well.
