

CAMP PREPARATION

NOV 8th - NOV 13th

Your homework for this weekend is to prepare for camp. The first thing to do is to **practice making your bed**. This means you need to practice putting the sheet on the mattress and putting the pillow into the pillowcase. When you are at camp you will be expected to do this independently.

Finally, **double check that you have everything prepared** for Wednesday. Again, here is the kit list. Students will need two packs – a larger pack/bag/case for main equipment (with wheels so it can be easily rolled) and a small day-pack for the day trips. ALL ITEMS SHOULD BE LABELLED. On the first day of camp, students should wear shorts and a t-shirt, socks, trainers, school hat, sun block, insect spray, and rain gear if necessary.

Day Pack Should Contain
