

# HOME LEARNING - JANUARY 10TH - JANUARY 15TH

 <h2><u>UOI</u></h2>	 <h2><u>MATHS</u></h2>	 <h2><u>READING</u></h2>
<p><b><u>Migration Journey</u></b></p> <p>We've begun our new unit of inquiry into migration. You have taken part in a migration simulation to gain an understanding of the effects of migration.</p> <p>This week we would like you to ask questions about migration to someone you know. This could be a parent, grandparent or your helper! (If you don't have a helper you can interview a friend's helper.)</p> <p>Create your own questions to ask and record them in your homework book. Record the answers to your questions. E.g What was the biggest challenge moving to Hong Kong?</p> <p>Divide your homework book into the headings: <b>challenges, risk, opportunities and change.</b></p> <p><b>What challenges, risk, opportunities and change did this person face?</b></p>	<p><b><u>Measurement</u></b></p> <p>Estimate and measure the length of 5 different objects around your home. An estimate is your best guess and for the actual measurement you will need to measure with a ruler.</p> <p>E.g.</p>  <p>Estimate: 17cm Actual measurement: 18cm</p> <p>Extra for experts Include conversions to mm</p> <p>E.g. Actual measurement: 18cm or 180mm</p> <p><b><u>*Reminder</u></b> Remember to take home your ruler if you don't have one at home.</p>	<p>Your aim in Year 4 is <b>20 minutes</b> of reading, 5 times a week.</p> <p>Remember to <b>record the title</b> of the book you are reading, and how much you have read <b>in your diary.</b></p> 

## Visiting Author Rita Hemnani

This week Year 4 were fortunate to have a visit from a visiting author, Ritu Hemnani. She is a teacher, writer and voice actor who recognises herself as ethnically Indian, is a British national and calls Hong Kong home. Her short stories and articles have been published in the Asian Literary Review, Reader's Digest and Expat Living Magazine. *Gope and Meera – A Migration Story* is her first published children's book.

If the children are interested in purchasing the book the link is included below.

Gope and Meera - A Migration Story  
(SOFTBACK)  
HK\$80.00
